CALIMERO

by Dan Yeffet

WONDERGLASS

A series of suspensions where material touch and hug, but never amalgamate, almost like lovers, copper and handblown glass entwined in embrace. Calimero looks toward the future but seduces with the reminiscence of bygone times – a tribute to industrial lamps, luminous spheres from the past, and the iconic Israeli policeman's helmet from which it takes both name and inspiration.

MATERIALS

Screen | Blown glass

Body | Copper

COLOURS

Screen | Smoky grey

Body | Copper

DIMENSIONS

Small | Ø 120 x H 180 MM | 1 Kg

Medium | Ø 180 x H 225 MM | 1.5 Kg
