WONDERGLASS

Minosse C Table draws inspiration from travels to archaeological sites throughout the Mediterranean, where the landscape yields to human will, and where human will yields to time's ravages. The object restages this duality – the absolute and the variable, the eternal and the ephemeral – in the slow decomposition from solid linearity, recalling our continuing fascination with ruins.

Limited edition of 8 units + 2 prototypes + 2 artist proofs.

MATERIALS

Float cast glass

COLOURS

Multicolour

DIMENSIONS

W 1200 x D 750 x H 450 MM
